FOUNDATIONS OF COLLEGE COUNSELING

Wednesday, 15 July 2020, 4.00 PM-8.30 PM IST

New to college counselling? Changing gears from a teacher to a counsellor? Taken on a role and looking for a roadmap? Been a counsellor at school and trying to make it more systematic? We've got you covered!

- This first training session in the series to follow, will focus on the **foundations** and **basics** of getting a counselling office started and navigating the role of the counsellor in a school setting.
- Starting from the 'Why' to 'How'! breaking into smaller groups for in-depth discussions, led and facilitated by counsellors with experience and first hand accounts will not only provide you a good insight but also **clear actionable steps**.
- Will include-
 - Framework of counseling in school
 - How to get started?- Making it simple
 - Develop a roadmap- what's worked for us?
